

Psalm 50:15, “And call upon me in the day of trouble; I will deliver thee, and thou shalt glorify me.”

To remember the reference, image each hand with five fingers busy in the day of trouble.

My right hand is holding the powerful hand of God, Isaiah 41:13.

My hand with '5' fingers is holding THE power '10' to save me. $5 \times 10 = 50$ – The Chapter.

I call out to God with my left hand cupped to my face helping the sound to project. That's '1' person using the left hand with '5' fingers to loudly cry out the emergency call. (The verse – 15)

Once God has delivered me from my troubles, may I also have both hands busy in the same positions projecting my voice in praise to Him.
