

To build a wall you have to have at least two blocks. Each block must be built upon God's Word and our relationship with Jesus. Imagine each block containing the number "7" to represent perfection – thus, we are building a perfect wall in the strength of the Lord.

Two blocks on top of each other equal **14** (7+7) – **The chapter.**

But it only takes **1** person to tear it down – **The verse.**

Do we build or tear down our own house?

Proverbs 14: 1 "Every wise woman buildeth her house: but the foolish plucketh it down with her hands."
