

Psalm 25:15, "Mine eyes are ever toward the LORD; for he shall pluck my feet out of the net."

Like a spider's web that can be found in multiple places, Satan sets traps for the Christian. If he cannot trap you in one, he hopes to trap you in another. Whenever we blindly walk, we are doomed to fall into one of his traps.

To avoid the net or snare that is laid, keep your eyes toward the Lord and let Him safely direct your path.

But if you have failed and are already trapped, look toward Jesus to pluck your feet out of the net.

How do we look toward Jesus to guide our steps or pluck our feet out of the net?

The answer is found spending daily time with Him in His Word, in prayer and in obedience.
