

Psalms

:18

Open thou mine eyes,
that I may behold
wondrous things out of
thy law.

This handout is simply a visual to help us remember to put on our opera glasses so we can see clearly God's Word. Opera glasses help us see things that seem far away. Sometimes the hidden truths in God's Word seem to be at a distance. Let's ask God to open up our eyes.

The two swords representing the two ones in Psalm 119 are the weapons we hold in both hands as we fight the spiritual battle. The 9 is the skinny me when I have allowed God's Word to make me spiritually lean.

The skinny me is holding a 1 and a sideways 8 which gives the appearance of opera glasses. (I'm remembering the wonderful days as a child searching for hidden items in the Highlights magazine.)

This may be silly, but sometimes silliness helps us to remember!
